* **The German 3G rule: access for vaccinated, recovered or tested persons only**

- ✓ Vaccinated: Proof of full vaccination more than 14 days previously with a vaccine registered in the EU
- ✓ Recovered: Positive, dated PCR test (at least 28 days and no more than six months previously) or official quarantine order (not more than six months previously) and a subsequent negative test
- ✓ Tested: Negative test result with proof (antigen test no more than 24 hours previously; PCR test no more than 48 hours previously)

** **Compulsory masks: Medical face masks must be worn in indoor areas and in entrance and meeting areas by all persons aged six years or older**
